

BECOME A FutureShaper

Whai wāhi mai ki ngā rāngai whakatipu o Waitaha e ārahi ana i te ao whānui
Engage with Canterbury's world-leading growth industries

High Tech Services

Ngā Ratonga Hangarau Tino Atamai

By 2030, it's estimated 80% of jobs will be in tech. Christchurch has many technological innovation opportunities and a network that offers exceptional support for start-up businesses and talent.

"Use skills you already have, but upgraded for the 3D world"

- **Séku Skandan**
Chief Digital & Product Officer
Jix Reality

Aerospace & Future Transport

Te Rere ā-Kōhauhau, ā-Tuarangi

Christchurch is on its way to becoming NZ's Aerospace hub, gaining global recognition and creating a diverse range of jobs requiring different knowledge streams and skill sets.

"I love learning new skills and using them on products that benefit others."

- **Tom Galbraith**
Electronics Team Lead
Dawn Aerospace

Help Shape Our Future

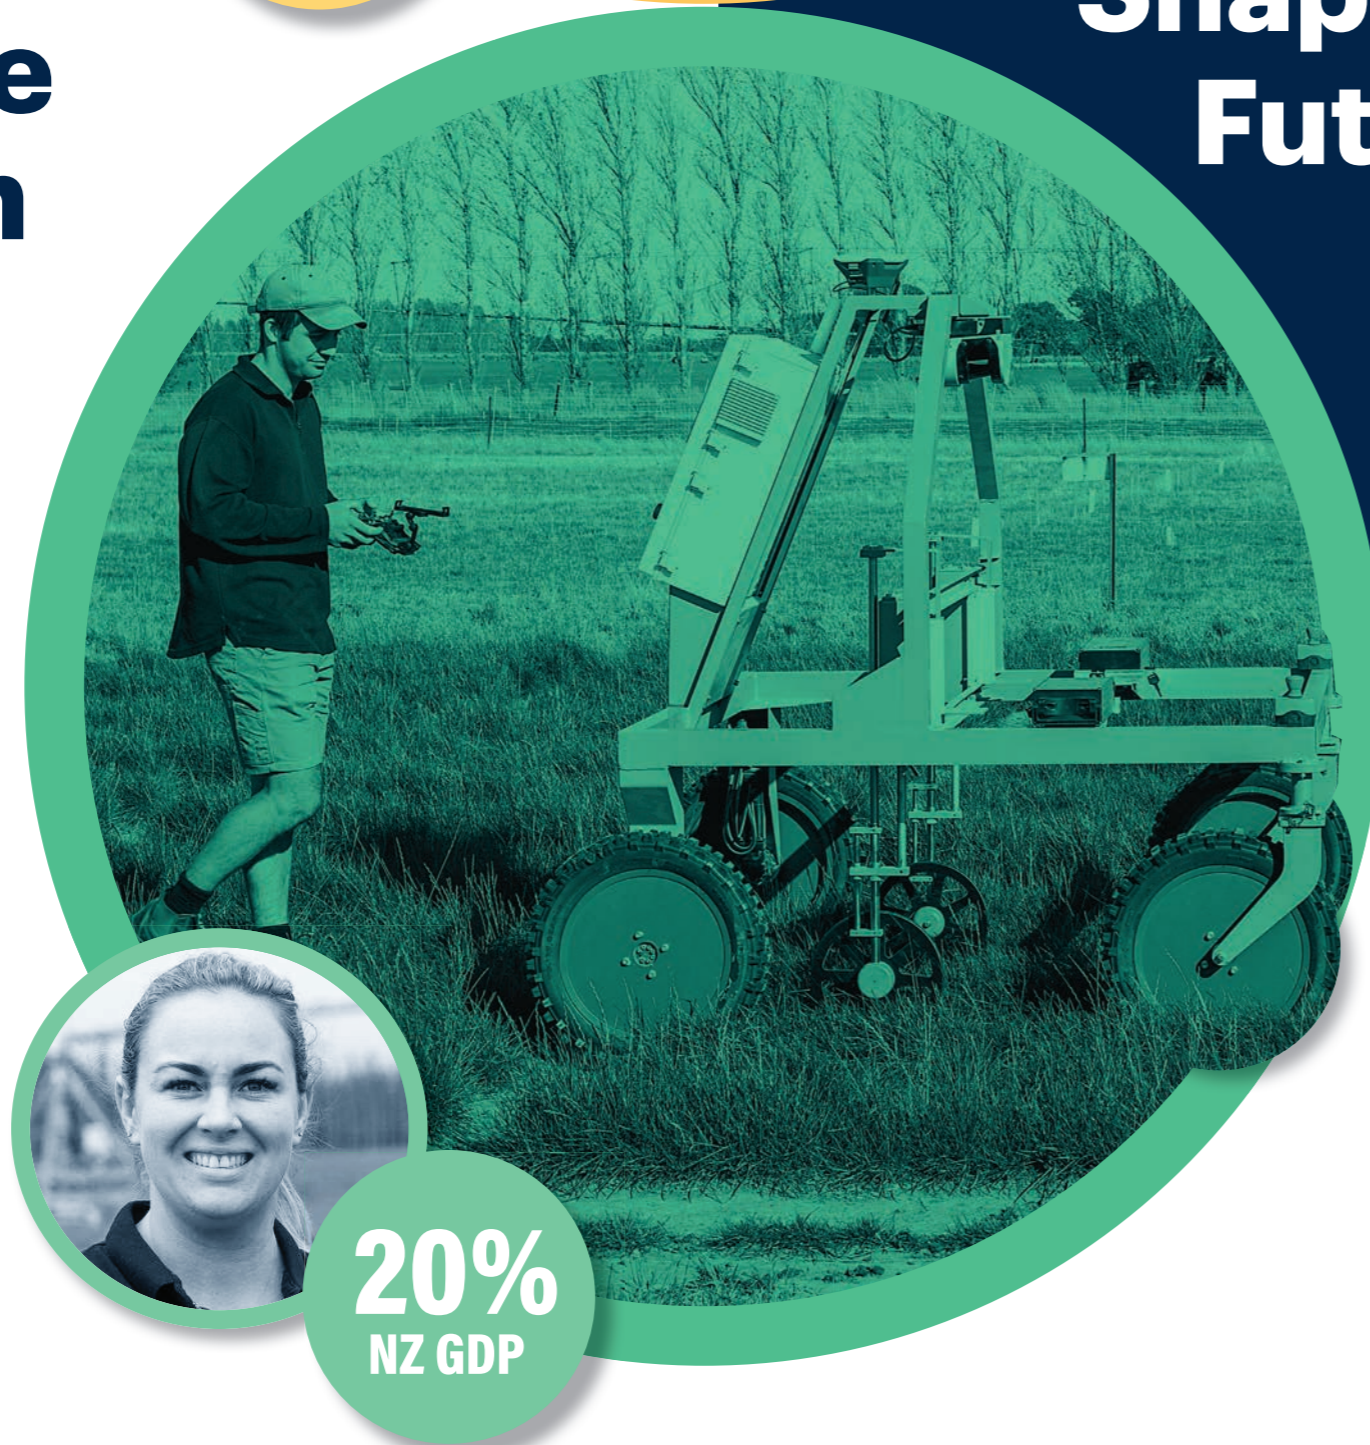

Food, Fibre & Agritech

Te Kai, te Kaka me te Hangarau ā-Ahuwhenua

Canterbury is Aotearoa's largest and consistently high-performing agricultural region, employing nearly 20,000 people and offering a diverse range of products, education and job opportunities.

"Many different jobs sit around the core of the agriculture sector"

- **Ash-Leigh Campbell**
Customer Success Manager
Halter

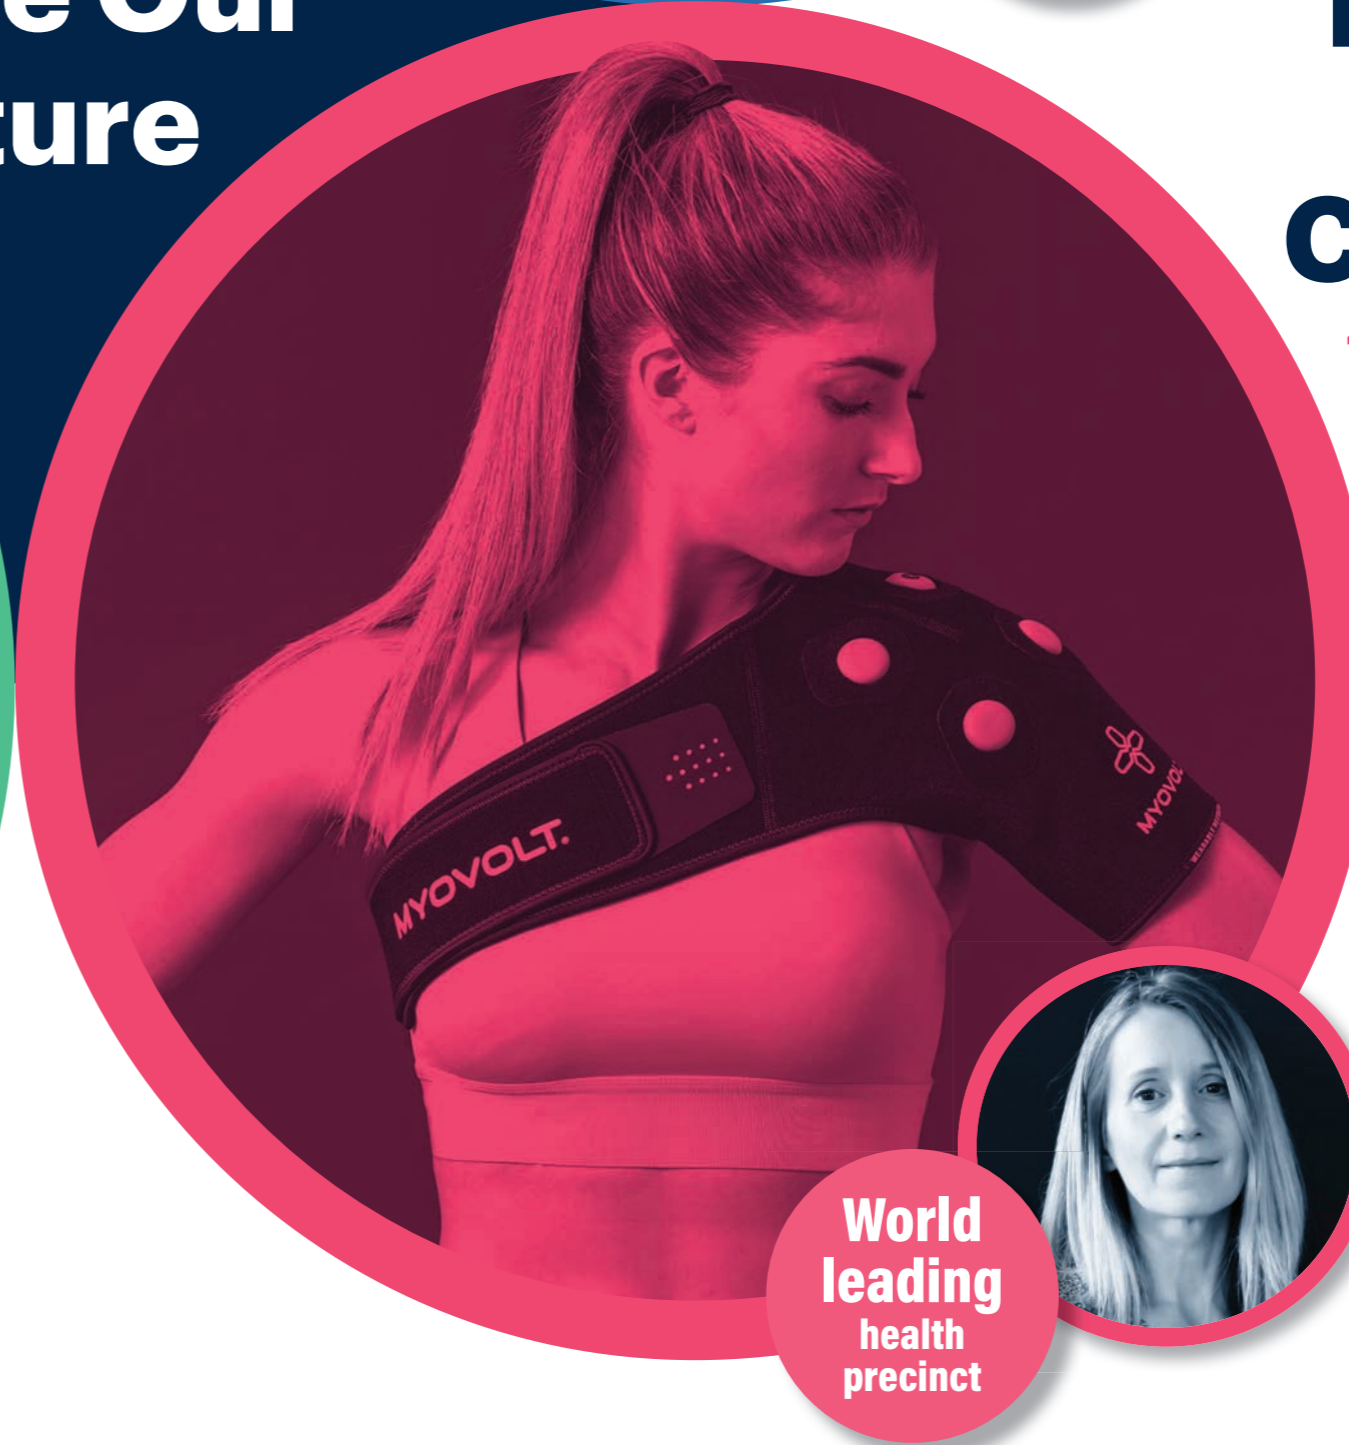

Health Tech & Resilient Communities

Te Hangarau Hauora me ngā Hapori Manawaroa ā-Kōhauhau

Christchurch produces HealthTech superstars through challenges, programmes and a supportive ecosystem including Te Papa Hauora, a hub for health education, research and innovation.

"We make a difference to customers lives all around the world"

- **Dr. Dianne Jones**
Founder and CTO
Myovolt
